Obedience is our response to abiding in Jesus.

QUESTIONS

2. "As the Father has loved me, so have I loved you." Already past tense. What does that change about the verse right after it?
3. Jesus obeyed his Father, but the Father loved him before the world existed. So what was his obedience actually for?
4. When you hear "keep my commandments," what's the first feeling that comes up?
5. Where are you obeying God to earn something, instead of because you're already loved?
6. Jesus' one command is to love each other. Who is hard for you to love right now?
7. What's one way you can stay in his love this week?
